PROJECT: EATON WATER DISTRICT - NORTH RURAL EXTENSION

RE: ADDENDUM #2

*** RETURN RECEIPT REQUESTED AT END OF DOCUMENT ***

WAGE RATES

SHALL BE CHANGED:

Wage rates shall be replaced with the updated schedule attached.

QUESTIONS & ANSWERS:

The following questions have been presented to the ENGINEER, and the subsequent answers have been given, to the best of our knowledge and belief:

Q#1 Is the Water District tax-exempt, and may we have their exemption information?

A. Yes, the Water District is tax-exempt, and their information will be made available to the successful bidder.

Q#2 Would you explain the requirements for tree and brush clearing?

A. All right-of-ways shall be cleared for the installation, operation and maintenance of the water system. The right-of-way shall be cleared from the location of the water main to the edge of the roadway surface, except on state owned property. The clearing shall include, but not be limited to all trees, tree limbs, tree stumps, and brush. At the discretion of the ENGINEER some trees larger than twenty-four (24) inches in diameter may be left, but for the purpose of bidding, the CONTRACTOR shall assume all trees will be removed.

Q#3 Explain the pay items for "Limestone and Fertilizer" and "Seeding and Mulching"?

A. "Limestone and Fertilizer" shall be applied to all areas disturbed by the project including all lawns, fields, timber areas, etc. The "Seeding and Mulching" shall be applied to all lawns, hay fields, and timber areas. In the areas where "Seeding and Mulching" is required, "Limestone and Fertilizer" will also be paid for, both as field measured in place.

Q#4 Is the overflow pipe on the water tower required to be run down the cent of

a leg?

A. No. The tank contractor should plan to construct the overflow pipe in their standard way of construction.

Q#5 What is the correct elevation for the top of footer for the proposed water tower?

A. The correct elevation is 581.0'.

Respectfully submitted,

CONNOR & CONNOR, INC.

Shannon Woodard, Consultant

Unlisted classifications needed for work not included within the scope of the classifications listed may be added after award only as provided in the labor standards contract clauses (29CFR 5.5 (a) (1) (ii)).

 In the listing above, the "SU" designation means that rates listed under the identifier do not reflect collectively bargained wage and fringe benefit rates. Other designations indicate unions whose rates have been determined to be prevailing.

WAGE DETERMINATION APPEALS PROCESS

1.) Has there been an initial decision in the matter? This can be:

- * an existing published wage determination
- * a survey underlying a wage determination
- * a Wage and Hour Division letter setting forth a position on a wage determination matter
- * a conformance (additional classification and rate) ruling

On survey related matters, initial contact, including requests for summaries of surveys, should be with the Wage and Hour Regional Office for the area in which the survey was conducted because those Regional Offices have responsibility for the Davis-Bacon survey program. If the response from this initial contact is not satisfactory, then the process described in 2.) and 3.) should be followed.

With regard to any other matter not yet ripe for the formal process described here, initial contact should be with the Branch of Construction Wage Determinations. Write to:

Branch of Construction Wage Determinations
Wage and Hour Division
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

2.) If the answer to the question in 1.) is yes, then an interested party (those affected by the action) can request review and reconsideration from the Wage and Hour Administrator (See 29 CFR Part 1.8 and 29 CFR Part 7). Write to:

Wage and Hour Administrator
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

The request should be accompanied by a full statement of the interested party's position and by any information (wage payment data, project description, area practice material, etc.) that the requestor considers relevant to the issue.

3.) If the decision of the Administrator is not favorable, an interested party may appeal directly to the Administrative Review Board (formerly the Wage Appeals Board). Write to:

Administrative Review Board
U.S. Department of Labor
200 Constitution Avenue, N.W.
Washington, DC 20210

4.) All decisions by the Administrative Review Board are final.
